1. **Call to Order**

1. **At 10:05 AM**

4. **Organizational Proposals/Presentations**

- **SNMA: bringing in a speaker series each month from different religious backgrounds, but fall semester will have to be a zoom meeting so encourage people to come even though it's on zoom**
 - **SGA is offering to donate some of our budget to SNMA so that they will not be limited in who they can ask to come speak**

5. **Combined Meeting with Knoxville SGA:**

- **Honor Code has been written for all students to sign. It is not a liability waiver, it is just a way to keep all students accountable for their health as it relates to COVID. It will be presented to the incoming first years at orientation too.**
 - **Although SGA wrote it, we don't want to be the ones responsible for making students sign it. That will be up to administration**

- **Orientation has been shortened to one day and only half of it is online. We will need to make an SGA panel from both campuses**
- **Everyone will receive 2 facemasks and a face shield during the first OPP lab**
- **Reallocating budget ideas since we cannot have the events we normally do**
 - **Buy everyone a nice “DCOM Strong” pin for their white coats**
 - **Potentially scholarships**
 - **Maybe as part of Student Doctor of the Month**
- **Everyone’s activity fee will be refunded for both fall and spring semesters**
- **As of now, not every event is cancelled. We will not be doing big parties but we are still working on modified ways to host some things. They will either be virtual or outside and the college system will be utilized more than ever since it breaks everyone into smaller groups.**
 - **Obviously this can change on a dime as more info comes out but as of this moment we are still working on creative ways to keep students engaged**
- **Pushing to keep study groups and OPP lab groups the same to minimize exposure throughout the semester**
- **Jason Kishpaugh as QPR training contact person, we would love to offer training to our students since LMU DCOM is not considered a QPR trained school and September is suicide awareness month**
- **We need to be encouraging students to get tested before they come back**
 - **This will be more challenging for some students in bigger cities (knoxville for example) because there is such a delay in results but we want to get this out as soon as possible**

6. SGA Officer Reports

1. Max Jump

- **School needs to be more realistic about the fact that students are going to hang out and expose each other. Very frustrating that nothing has been done but this is why we are wanting to push everyone to get tested**
- **Ideas for engagement: post-exam zoom happy hour, drive-in movie night, trivia nights, online work outs (taylor howell, zumba, crossfit, etc) or live stream yoga (yoga nook)**
 - **We are worried about zoom fatigue with doing everything on zoom though**
 - **We would love to hear other ideas though so keep us updated if you think of anything**
- **SGA Retreat?**

- **Restructuring FMHC**
 - **Harvard implicit bias test**

2. **Tyton Roberts**
3. **Marissa Coutinho**
4. **Marissa Viola**
5. **Haley Williams**
6. **Garrett Shields**
7. **Anthony Carbone**
8. **Taylor Mayes**
9. **Caleb Arnold**
 - Surprise and pay for everyone's tab every now and then at gap creek/chick-fil-a etc.
 - Plan on contacting yoga nook to maintain a relationship with them
10. **Maria Harris**
